Abbott Supply Chain Internship (2025 / 2026) Apply Now

Description

Abbott is offering exciting Supply Chain Internship opportunities for motivated and driven individuals looking to gain hands-on experience in a dynamic and fast-paced environment. As an Abbott Supply Chain Intern, you will have the chance to work with some of the industry's leading professionals and contribute to the success of our global supply chain operations.

Responsibilities

- **Support Supply Chain Planning:** Assist in the development and execution of supply chain plans to ensure the timely delivery of products to customers while optimizing inventory levels.
- **Data Analysis:** Analyze data related to demand forecasting, inventory management, and logistics to identify trends and make data-driven recommendations.
- **Process Improvement:** Collaborate with cross-functional teams to identify and implement process improvements within the supply chain, contributing to efficiency and cost savings.
- **Inventory Management:** Assist in monitoring and managing inventory levels, including tracking and reporting on inventory accuracy and identifying areas for improvement.
- **Logistics Coordination:** Support logistics activities, including coordinating shipments, monitoring transportation costs, and ensuring on-time delivery to customers.
- **Cross-functional Collaboration:** Work closely with various teams, including production, procurement, and quality, to ensure alignment and effective communication within the supply chain.
- **Supply Chain Projects:** Participate in special projects related to supply chain optimization, process automation, and technology integration.

Qualifications

- Currently enrolled in a bachelor's or master's degree program in Supply Chain Management, Operations Management, Business Administration, or a related field.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Proficiency in Microsoft Office applications, particularly Excel.
- Ability to work independently and as part of a team.
- Eagerness to learn and a strong desire to make a meaningful impact within the supply chain field.

Job Benefits

- Hands-on experience in a global healthcare company.
- Exposure to real-world supply chain challenges and projects.
- Mentorship and guidance from experienced supply chain professionals.
