ASSMANG (Black Rock Mine) Internships 2026/27 Apply Now

Description

Join ASSMANG's Black Rock Mine as an intern and gain hands-on experience in the dynamic field of mining operations. This internship offers a unique opportunity to work alongside industry experts, learn about mining processes, and contribute to meaningful projects within a supportive and engaging environment.

Responsibilities

- Assist in various facets of mining operations, including exploration, drilling, blasting, and extraction processes.
- Collaborate with experienced professionals to learn about ore processing, quality control, and environmental management practices.
- Participate in on-site safety protocols and procedures, ensuring a commitment to a safe working environment.
- Engage in data collection, analysis, and reporting to support ongoing mining projects.
- Contribute ideas and insights to improve operational efficiency and sustainability practices.

Qualifications

- Currently pursuing a degree in Mining Engineering, Geology, or related field from a recognized institution.
- Strong academic background with a passion for the mining industry and a desire to learn and grow within the sector.
- Excellent communication skills and the ability to work effectively in a team-oriented environment.
- A proactive attitude, willingness to learn, and adaptability to varying tasks and challenges.
- Commitment to safety standards and ethical conduct in the workplace.

Job Benefits

- Hands-on experience in a leading mining company, working on real-world projects.
- Mentorship and guidance from industry professionals to foster career development.
- Exposure to cutting-edge mining technologies and methodologies.
- Networking opportunities within the mining industry.
- Competitive stipend or compensation package during the internship period.

Contacts

Interested candidates meeting the above criteria are invited to submit their resume/CV along with a cover letter detailing their interest in the internship opportunity at ASSMANG's Black Rock Mine.
