Bosch Rexroth Africa: YES Learnerships / Internships 2025/26 New Application

Description

The Bosch Rexroth Africa Youth Employment Service (YES) Learnerships / Internships program is designed to provide young South Africans with valuable hands-on experience in the field of engineering, manufacturing, and technology. This initiative is aligned with our commitment to youth empowerment and skills development, aiming to equip participants with practical knowledge and enhance their employability.

Responsibilities

- Participate in on-the-job training and development activities under the guidance of experienced professionals.
- Gain practical experience in various aspects of engineering, manufacturing, and technical support.
- Collaborate with teams to contribute to ongoing projects and initiatives, assisting in problem-solving and innovation.
- Attend training sessions, workshops, and seminars to enhance technical skills and knowledge.
- Adhere to safety protocols and regulations in all work activities, ensuring a safe working environment for oneself and others.

Qualifications

- South African citizenship or permanent residency.
- Completed Grade 12 or equivalent qualification.
- Enrollment or completion of relevant technical or engineering studies preferred.
- Strong interest in the fields of engineering, manufacturing, and technology.
- Excellent communication skills, both verbal and written.
- Ability to work effectively in a team environment.
- Demonstrated commitment to learning and personal development.
- Willingness to adapt and learn in a dynamic work environment.

Job Benefits

- Hands-on experience in a leading engineering and technology company.
- Mentorship and guidance from experienced professionals.
- Exposure to diverse projects and technologies.
- Opportunities for skill development and career advancement.
- Competitive stipend or compensation package.
- Potential for future employment opportunities within Bosch Rexroth Africa or the broader Bosch Group.

Contacts

Interested candidates are invited to submit their applications, including a CV and cover letter, outlining their motivation and suitability for the program. Shortlisted candidates will be contacted for further assessment and interviews.
