- Perform routine clinical procedures, such as wound dressings, venipuncture, administering medications, and conducting basic diagnostic tests.
- Participate in patient education initiatives, providing information and support to patients and their families.
- Contribute to maintaining accurate and up-to-date patient records and documentation.
- Engage in departmental meetings, case discussions, and educational sessions to enhance learning and knowledge.
- Adhere to established protocols, policies, and ethical standards of Busamed.
- Collaborate with interdisciplinary healthcare teams to ensure comprehensive and coordinated patient care.
- Maintain a professional and respectful attitude towards patients, colleagues, and other healthcare professionals.
- Actively participate in performance evaluations and feedback sessions to enhance professional growth.

Qualifications

- Currently enrolled in or recently completed a relevant healthcare-related degree program (e.g., medicine, nursing, pharmacy, laboratory sciences, radiography, physiotherapy, etc.).
- Strong academic record and a genuine interest in pursuing a career in the healthcare industry.
- Excellent interpersonal and communication skills to interact effectively with patients, colleagues, and healthcare professionals.
- Ability to prioritize tasks, demonstrate attention to detail, and manage time efficiently.
- Strong ethical and professional values, maintaining patient confidentiality and adhering to ethical standards.
- Demonstrated willingness to learn, adapt, and work effectively in a dynamic and fast-paced healthcare environment.
- Knowledge of medical terminology, clinical procedures, and relevant healthcare guidelines is an advantage.
