Deloitte: Risk Advisory Graduate Internships Latest Opportunities 2025

Description

Join Deloitte's Risk Advisory team as a Graduate Intern and immerse yourself in a dynamic, fast-paced environment that offers hands-on experience in mitigating risks and delivering innovative solutions to clients. Deloitte is a globally recognized professional services firm committed to helping clients navigate complex challenges and opportunities across various industries.

Responsibilities

- **Assist in Risk Assessments:** Support risk assessment processes by gathering and analyzing data, conducting risk interviews, and contributing to the evaluation of potential risks faced by clients.
- **Research and Analysis:** Conduct research on industry trends, regulatory frameworks, and emerging risks to aid in the development of risk management strategies.
- **Client Engagement:** Collaborate with senior team members on client engagements, participating in meetings, and assisting in the preparation of reports and presentations.
- **Risk Mitigation Strategies:** Contribute ideas and insights towards developing effective risk mitigation strategies, frameworks, and controls tailored to client needs.
- **Documentation and Reporting:** Assist in the documentation of findings, observations, and recommendations in concise reports for client presentations and internal purposes.
- **Professional Development:** Engage in continuous learning opportunities, training sessions, and workshops provided by Deloitte to enhance skills in risk management, business analysis, and consulting.

Qualifications

- **Education:** Pursuing or recently completed a Bachelor's or Master's degree in Business, Finance, Accounting, Risk Management, or related fields.
- **Analytical Skills:** Strong analytical and critical thinking skills with the ability to interpret complex data and draw meaningful insights.
- **Communication:** Excellent verbal and written communication skills to articulate ideas clearly and interact effectively with team members and clients.
- **Team Player:** Ability to work collaboratively in a team environment, demonstrating flexibility and adaptability to different situations.
- **Problem-Solving:** Demonstrated problem-solving abilities and a proactive approach to addressing challenges.
- **Attention to Detail:** Meticulous attention to detail and accuracy in work output, ensuring high-quality deliverables.
- **Tech Proficiency:** Familiarity with Microsoft Office Suite (Excel, PowerPoint, Word) and a willingness to learn new tools and software as required.
