Discovery: Wealth Management Learnerships (2025 / 2026) New Hiring

Description

Discovery is excited to offer Wealth Management Learnerships to individuals who are passionate about pursuing a career in the financial services industry. This learnership program provides an opportunity for motivated individuals to gain practical experience, develop essential skills, and receive comprehensive training in wealth management.

Responsibilities

- Participate in structured learning activities and on-the-job training to develop a thorough understanding of wealth management principles and practices.
- Collaborate with experienced professionals to assist with client portfolio management, financial planning, and investment analysis.
- Learn how to conduct research and analysis on financial markets, investment products, and industry trends.
- Assist in the development and implementation of personalized financial plans for clients, considering their unique goals and circumstances.
- Support the wealth management team in providing exceptional service to clients, including responding to inquiries, preparing reports, and scheduling meetings.
- Stay updated on relevant regulations, compliance requirements, and industry best practices.
- Engage in continuous learning and professional development activities to enhance knowledge and skills in wealth management.

Qualifications

- Bachelor's degree in finance, economics, business, or a related field (preferred).
- Strong analytical skills and attention to detail.
- Excellent communication and interpersonal skills.
- Ability to work effectively in a team environment.
- Eagerness to learn and develop new skills.
- Motivation to pursue a career in wealth management.

Job Benefits

- Hands-on experience in wealth management within a dynamic and innovative organization.
- Mentorship and guidance from experienced professionals in the industry.
- Opportunity to obtain industry-recognized certifications or qualifications.
- Competitive stipend or compensation package.
- Potential for career advancement within Discovery or the broader financial services sector.
