DSV Internship Program 2026/27 Apply Now

Description

The DSV Internship Program offers an exciting opportunity for individuals to gain practical experience and develop their skills in various departments within our dynamic and fast-paced organization. Interns will have the chance to work closely with experienced professionals, contribute to real projects, and be exposed to diverse aspects of the logistics industry.

Responsibilities

- Collaborate with team members to support the execution of logistics and supply chain operations.
- Assist in the coordination of transportation, warehousing, and distribution activities.
- Contribute to the analysis of data, trends, and key performance indicators to identify areas for improvement.
- Participate in the development and implementation of process optimization initiatives.
- Support customer relationship management efforts, ensuring excellent service delivery and addressing inquiries.
- Assist in the preparation of reports, presentations, and documentation as required.
- Conduct research on industry trends, emerging technologies, and market dynamics to provide insights and recommendations.
- Contribute to cross-functional projects and initiatives to enhance operational efficiency and customer satisfaction.
- Adhere to company policies, procedures, and safety guidelines while maintaining a high level of professionalism and ethics.
- Embrace a continuous learning mindset, actively seeking opportunities to expand knowledge and skills in the logistics field.

Qualifications

- Currently pursuing or recently completed a degree in logistics, supply chain management, business administration, or a related field.
- Strong academic performance and a genuine interest in pursuing a career in the logistics industry.
- Excellent communication and interpersonal skills, with the ability to collaborate effectively with diverse teams and stakeholders.
- Analytical mindset with the ability to interpret data, identify trends, and provide actionable insights.
- Proficiency in using Microsoft Office applications, particularly Excel, Word, and PowerPoint.
- Strong organizational skills, attention to detail, and the ability to manage multiple tasks and prioritize effectively.
- Proactive and self-motivated approach to work, demonstrating initiative and the ability to work independently.
- Adaptability to work in a fast-paced, dynamic environment and willingness to embrace new challenges.

09

Date posted

August 19, 2025

Valid through

14.02.2028

- Knowledge of logistics concepts, industry trends, and emerging technologies is advantageous.
- Fluency in English (both written and spoken) is required. Additional language skills may be an asset.

Job Benefits

- **Hands-on Experience:** Interns have the opportunity to gain practical experience in the logistics industry and apply their academic knowledge to real-world scenarios. They work alongside experienced professionals, contributing to projects and tasks that have a direct impact on the company's operations.
- **Professional Development:** The internship program at DSV provides interns with valuable professional development opportunities. They can enhance their skills in areas such as logistics operations, supply chain management, project management, data analysis, and customer relationship management.
- **Mentorship and Networking:** Interns have access to mentors and professionals who can provide guidance and support throughout the internship. They can build valuable connections and expand their professional network within the logistics industry.
- **Exposure to Diverse Projects:** Interns get exposure to a variety of projects and initiatives within different departments of DSV. This exposure helps them gain a comprehensive understanding of the logistics field and the various aspects of the company's operations.
- **Learning Opportunities:** DSV Internship Program may offer workshops, training sessions, or seminars to enhance interns' knowledge and skills. These learning opportunities can include industry-specific topics, professional development, and technical training.
- **Potential for Future Employment:** Internships at DSV may serve as a pathway to future employment within the company. Exceptional interns who demonstrate their abilities, commitment, and compatibility with the organization's culture may be considered for full-time positions or future job opportunities.
- **Personal and Professional Growth:** Interns have the chance to develop their personal and professional skills during the internship. They can improve their communication, teamwork, problem-solving, and time management abilities, which are valuable for their future careers.
- **Exposure to Global Operations:** DSV is a global company, and interns may have the opportunity to work on projects that involve international logistics and global supply chains. This exposure to the company's global operations can provide valuable insights and a broader perspective on the logistics industry.

Contacts

- **Research:** Visit the DSV A/S website or other official sources to gather information about the internship program. Look for any specific requirements, available internship positions, application deadlines, and instructions.
- **Prepare your documents:** Update your resume to highlight your relevant education, skills, and experiences. If required, prepare a cover letter expressing your interest in the internship program and explaining why you are a suitable candidate. Gather any additional documents or certifications that may be requested.
- **Contact DSV A/S:** Reach out to the DSV A/S Human Resources Department or Talent Acquisition team to inquire about internship

opportunities and obtain any additional application instructions. You can find their contact information on their website or by conducting an online search. Alternatively, you may find specific application instructions listed on their website.

- **Submit your application:** Follow the application instructions provided by DSV A/S. This may involve submitting your resume, cover letter, and any other required documents via email, an online application portal, or their designated application platform. Pay attention to any specific formatting or file requirements mentioned.
- **Follow up:** After submitting your application, consider following up with the Human Resources Department or Talent Acquisition team to confirm receipt of your application and express your continued interest in the internship program. This demonstrates your enthusiasm and professionalism.
- **Interview process:** If your application is shortlisted, DSV A/S may invite you for an interview. Prepare for the interview by researching the company, reviewing common interview questions, and practicing your responses. Dress professionally and arrive on time for the interview.
- **Acceptance or rejection:** Following the interview process, DSV A/S will inform you of their decision. If you are accepted into the internship program, carefully review any offer or agreement provided. It may outline the terms and conditions of your internship, including the start date, duration, compensation (if applicable), and any additional requirements.
