

## Eskom Internships For Graduate (2026 / 2027) New Hiring

### Description

Eskom invites talented and driven graduates to participate in its Graduate Internship Program. This program aims to offer practical exposure and hands-on experience in diverse fields within the energy industry. As an intern, you will have the opportunity to work alongside industry experts, gaining valuable insights and contributing to impactful projects.

### Responsibilities

- Participate in departmental projects and initiatives under the guidance of experienced professionals.
- Contribute fresh ideas and perspectives to enhance business processes and operations.
- Conduct research, analysis, and reporting on relevant industry topics and projects.
- Collaborate with team members to support various aspects of the business, depending on the area of specialization.
- Engage in training sessions and workshops to develop technical skills and industry knowledge.
- Complete assigned tasks and projects within specified timelines and quality standards.

### Qualifications

- Recent graduate with a Bachelor's degree, Honours, or Master's degree in a relevant field (Engineering, Finance, Information Technology, Environmental Sciences, etc.).
- Strong academic background with a passion for learning and development.
- Excellent analytical, problem-solving, and communication skills.
- Ability to work well in a team and adapt to a dynamic work environment.
- Proficiency in Microsoft Office Suite.

### Job Benefits

- Valuable hands-on experience in the energy industry.
- Mentorship and guidance from seasoned professionals.
- Exposure to diverse projects and opportunities for personal and professional growth.
- Competitive stipend or remuneration package.
