Overview

The KZN Department of Public Works provides a structured internship programme aimed at students seeking hands-on experience in various fields related to public works. Interns will work under the guidance of experienced professionals, gaining exposure to projects that contribute to the development and maintenance of infrastructure within the province.

Accountabilities

- Support departmental initiatives by assisting in day-to-day operations.
- Participate in research projects, data collection, and analysis.
- Contribute to planning and execution of infrastructure development projects.
- Assist in administrative tasks, report generation, and documentation.
- Engage in fieldwork, site visits, and project assessments.
- Attend training sessions and workshops for skill development.

Demands And Conditions

- Currently enrolled in a relevant field of study (Engineering, Construction, Architecture, etc.).
- Strong analytical skills and a passion for public service and infrastructure development.
- Good communication skills, both written and verbal.
- Proficiency in Microsoft Office Suite.
- Proactive attitude and willingness to learn.

Benefits and Perks

- Practical Experience: Gain hands-on exposure to public works projects.
- Mentorship: Work alongside experienced professionals and receive guidance.
- Networking: Connect with industry experts and expand professional networks.
- Skill Development: Enhance field-specific skills through real-world projects.
- Contribution: Contribute to the development and maintenance of vital infrastructure in KZN.
- Potential Growth: Opportunity for future career prospects within the public sector.
