Description

The Leratong Hospital Internship Program offers a structured learning experience for individuals seeking hands-on exposure in various departments within our healthcare facility. Interns will have the opportunity to work alongside experienced healthcare professionals, gaining practical skills and knowledge while contributing to the delivery of high-quality patient care.

Responsibilities

- Collaborate with healthcare professionals to provide direct patient care under supervision.
- Assist in conducting patient assessments, including obtaining vital signs, medical history, and chief complaints.
- Perform routine clinical procedures, such as wound dressings, venipuncture, administering medications, and conducting basic diagnostic tests.
- Participate in patient education initiatives, providing information and support to patients and their families.
- Contribute to maintaining accurate and up-to-date patient records and documentation.
- Engage in departmental meetings, case discussions, and educational sessions to enhance learning and knowledge.
- Adhere to established protocols, policies, and ethical standards of Leratong Hospital.
- Collaborate with interdisciplinary healthcare teams to ensure comprehensive and coordinated patient care.
- Maintain a professional and respectful attitude towards patients, colleagues, and other healthcare professionals.
- Actively participate in performance evaluations and feedback sessions to enhance professional growth.

Qualifications

- Currently enrolled in or recently completed a relevant healthcare-related degree program (e.g., medicine, nursing, pharmacy, laboratory sciences, radiography, physiotherapy, etc.).
- Strong academic record and a genuine interest in pursuing a career in the healthcare industry.
- Excellent interpersonal and communication skills to interact effectively with patients, colleagues, and healthcare professionals.
- Ability to prioritize tasks, demonstrate attention to detail, and manage time efficiently.
- Strong ethical and professional values, maintaining patient confidentiality and adhering to ethical standards.
- Demonstrated willingness to learn, adapt, and work effectively in a dynamic and fast-paced healthcare environment.
- Knowledge of medical terminology, clinical procedures, and relevant healthcare guidelines is an advantage.
- Valid certifications or licenses required for specific departments (if applicable).
