Motus: YES Learnerships 2025/26 New Application

Description

Motus is thrilled to offer an exciting opportunity for individuals interested in kickstarting their careers through our YES (Youth Employment Service) Learnerships Program. As a leading diversified automotive group, Motus is committed to empowering young talent by providing comprehensive learning experiences and practical training within the automotive industry.

Responsibilities

- Participate in a structured learning program designed to provide exposure to various facets of the automotive industry.
- Engage in on-the-job training and mentorship under the guidance of seasoned professionals.
- Collaborate with different departments to gain insights into their functions and contribute actively to ongoing projects.
- Acquire theoretical knowledge through classroom sessions and workshops tailored to enhance technical skills and industry know-how.
- Adhere to the program's curriculum, assignments, and evaluations to track individual progress.

Qualifications

- A passion for the automotive industry and a strong desire to build a career within this dynamic field.
- Minimum educational qualification (e.g., Matric or equivalent) as per the program's eligibility criteria.
- Excellent communication skills, both verbal and written.
- Ability to work collaboratively in a team environment.
- Eagerness to learn and adapt to new challenges.

Job Benefits

- Hands-on experience and exposure within a renowned automotive group.
- Mentorship from industry experts.
- Structured learning and development opportunities.
- Potential for career advancement within the company upon successful completion of the program.

Contacts

- **Visit the Motus Careers Page:** Navigate to the official Motus website or the specific careers section that lists available opportunities and programs.
- **Search for the YES Learnerships Program:** Look for the YES Learnerships or similar program under the "Current Openings," "Graduates & Internships," or "Development Programs" section on the careers page.
- **Review the Program Details:** Read through the job description and program details carefully to understand the requirements, responsibilities, and qualifications needed for the position.

- **Prepare Your Application Documents:** Ensure you have all the necessary documents ready, such as your updated resume/CV, educational certificates, and any other supporting documents mentioned in the application guidelines.
- **Submit Your Application:** Follow the application instructions provided on the website. This may involve creating an account on the company's careers portal, filling out an online application form, and uploading your documents.
- **Personalize Your Application:** Tailor your application to highlight your passion for the automotive industry, relevant skills, and why you are enthusiastic about joining Motus' YES Learnerships Program.
- **Double-Check Your Application:** Before submission, review your application for any errors or missing information. Ensure that all required documents are attached as per the application guidelines.
- **Submit and Keep Track:** Once submitted, keep track of your application status. Some companies provide confirmation emails or a portal where you can log in and track your application progress.
- **Follow Up if Necessary:** If you haven't heard back within the specified timeframe or if there's an option to follow up, consider sending a polite follow-up email or making a phone call to inquire about the status of your application.
