- **Financial Analysis:** Conduct financial analysis and research to support the development of national fiscal policies and budgets.
- **Budget Management:** Assist in the preparation and monitoring of government budgets, including revenue forecasting and expenditure analysis.
- **Auditing:** Participate in financial audits and compliance reviews to ensure the proper use of public funds.
- **Financial Reporting:** Prepare financial reports and statements in accordance with accounting standards and government regulations.
- **Policy Development:** Contribute to the formulation of financial policies and strategies that promote economic growth and fiscal sustainability.
- **Stakeholder Engagement:** Collaborate with various government departments, agencies, and external stakeholders to gather financial data and provide guidance on financial matters.
- **Professional Development:** Continuously update your knowledge and skills in accounting, finance, and public financial management through training and development programs.

Qualifications

- Currently enrolled in a recognized CA qualification program or possess a CA(SA) qualification.
- Strong academic background in accounting, finance, or related fields.
- Excellent analytical and problem-solving skills.
- Proficiency in financial modeling and data analysis.
- Strong communication and interpersonal skills.
- Ability to work collaboratively in a team environment.
- Commitment to upholding ethical standards in financial management.

Job Benefits

- Competitive stipend and support for CA qualification.
- Exposure to high-impact government projects.
- Learning and development opportunities.
- Networking opportunities with leading financial professionals.
- The chance to contribute to the financial well-being of South Africa.
