Oprah Winfrey School: Psychology Internship 2025/26 Apply Here

Description

Join us for an enriching Psychology Internship program designed to offer practical insights into the psychology field within an educational setting. Under the guidance of experienced psychologists, interns will have the opportunity to gain practical experience and contribute to the well-being of students.

Responsibilities

- Assist in psychological assessments and counseling sessions
- Collaborate with the psychology team to design and implement student support programs
- Engage in research projects related to student well-being and psychology
- Provide support in maintaining confidential records and documentation
- Participate in team meetings and contribute ideas for student welfare improvement

Qualifications

- Currently pursuing or recently completed a degree in Psychology
- Strong interpersonal and communication skills
- Compassion and sensitivity to the needs of students
- Ability to maintain confidentiality and professionalism at all times

Job Benefits

- **Hands-On Experience:** Gain practical exposure and work alongside experienced psychologists in a real-world educational setting.
- **Professional Development:** Enhance your skills in psychological assessment, counseling, and program design under the guidance of mentors.
- **Meaningful Contribution:** Contribute to the well-being and personal development of students by assisting in support programs and research initiatives.
- **Networking Opportunities:** Interact with professionals in the field, fostering connections and potentially opening doors for future career prospects.
- **Learning Environment:** Access a supportive and nurturing educational environment, enabling personal growth and a deeper understanding of psychology in practice.
- **Career Development:** Obtain valuable experience and insights that may bolster future career opportunities within psychology or education.
- **Mentorship:** Receive guidance and mentorship from seasoned psychologists, offering valuable advice and direction in the field.
- **Certificate or Recommendation:** Upon successful completion, interns might receive certificates or recommendations that could strengthen their credentials in the field of psychology.
- **Personal Fulfillment:** Contribute to the academy's mission of nurturing
