PathCare Learnerships 2026/27 | Exciting Training & Job – Apply Now!

Description

PathCare, a leading pathology and laboratory services provider, offers exciting learnership programs for 2025, providing aspiring healthcare professionals with hands-on training and career growth opportunities. These learnerships are designed for individuals passionate about the medical and laboratory industry, equipping them with the necessary skills and experience to excel in the field. PathCare Learnerships provide structured workplace-based training combined with theoretical education, allowing learners to gain industry-relevant knowledge while earning a stipend. The program focuses on laboratory techniques, diagnostic processes, and healthcare service excellence.

Responsibilities

Learners will assist in laboratory procedures, conduct sample testing under supervision, maintain cleanliness and safety standards, handle medical records, and provide patient support. They will also be trained in data entry, inventory management, and compliance with healthcare regulations.

Qualifications

Applicants must have a Grade 12 (Matric) certificate with subjects such as Mathematics, Life Sciences, and English. A relevant diploma or prior knowledge of laboratory work will be advantageous.

Experience

No prior work experience is required, making this an ideal opportunity for recent school leavers and individuals looking to start a career in the healthcare sector. However, any exposure to a medical or laboratory environment will be beneficial.

Skills

Candidates should possess strong attention to detail, good communication skills, the ability to work under pressure, basic computer literacy, problem-solving abilities, and a passion for healthcare and medical sciences.

Job Benefits

Successful candidates will receive a monthly stipend, hands-on industry training, mentorship from experienced professionals, and potential employment opportunities upon program completion. The learnership also enhances career prospects in the healthcare and pathology industry.

Contacts

Interested applicants can apply via the official PathCare website or visit their nearest PathCare branch for inquiries. Ensure you submit a detailed CV, academic transcripts, and a motivation letter before the application deadline. Kickstart your career in the healthcare industry with PathCare Learnerships 2025—Apply today!
