PSG Financial Services: Graduate Internships (2025 / 2026) Latest Hiring

Description

PSG Financial Services is a leading advice-driven financial technology firm in South Africa. Known for its commitment to innovation and professional development, PSG offers an exceptional environment for aspiring graduates to learn, grow, and develop their careers. Through continuous learning and a supportive network, we aim to attract and nurture top-performing graduates who are passionate about making a difference in the financial services sector.

We are excited to offer a **12-month Graduate Internship Program** for recent graduates and final-year students who are eager to jumpstart their careers. This program is structured to provide hands-on experience, technical and soft skills training, and mentorship to help you reach your full potential within PSG. Successful candidates may be considered for **performance-based full-time employment** upon completion of the internship.

Eligibility Criteria:

To qualify for this internship program, candidates must be recent graduates or currently studying towards a final-year Bachelor's Degree, Honours, Master's, or PhD in one of the following fields:

- Accounting
- Finance
- Financial Accounting
- Financial Planning
- Financial Science
- Economics / Econometrics
- Information Systems
- Actuarial Science
- Computer Science
- Mathematical Statistical Science
- Applied Mathematics
- Data Science
- Computer Engineering
- Chemical Engineering
- Electrical and Electronic Engineering
- Industrial Engineering
- Mechanical Engineering

How to Apply:

If you are a driven, goal-oriented graduate ready to make an impact in the financial services sector, we encourage you to apply for this exciting internship opportunity with PSG Financial Services. Join us on a journey to develop, grow, and build a rewarding career in South Africa's premier financial technology firm.
