RCL Foods Miller Trainee Programme 2026 – 2027 Apply Now

Description

RCL Foods is a leading South African food producer, with a history spanning over a century. We operate in the agricultural and food sectors, with a strong commitment to nourishing the nation and providing innovative, high-quality products. Our diverse portfolio includes well-known brands such as Rainbow Chicken, Selati Sugar, and Nola Mayonnaise, and we are proud to be a part of countless households across South Africa.

Responsibilities

As a Miller Trainee at RCL Foods, you will:

- **Learn the Art of Milling:** Receive comprehensive training in grain milling techniques, including wheat and maize milling processes.
- **Operate Milling Equipment:** Gain hands-on experience with various milling machinery and equipment.
- **Quality Control:** Ensure the production of high-quality flour and grain products through meticulous quality control measures.
- **Safety Compliance:** Adhere to all safety protocols and procedures to maintain a safe working environment.
- **Troubleshooting:** Learn to identify and address operational challenges, ensuring seamless production.
- **Collaboration:** Work closely with experienced millers and colleagues to enhance your skills and knowledge.
- **Continuous Learning:** Stay up-to-date with industry trends and best practices to continually improve your milling expertise.

Qualifications

To be considered for the Miller Trainee Programme at RCL Foods, you should possess the following qualifications:

- A minimum of a high school diploma or equivalent.
- Strong mechanical aptitude and interest in machinery operations.
- A passion for the food industry and a desire to learn about grain milling.
- Excellent communication and teamwork skills.
- A commitment to safety and quality standards.
- Willingness to work in various locations and shifts as required.

Job Benefits

- Competitive stipend during the training period.
- Valuable hands-on experience in the grain milling industry.
- Mentorship from experienced millers.
- Opportunities for career advancement within RCL Foods.
- Exposure to cutting-edge technology and processes in modern mills.
- A chance to be a part of a dynamic and innovative company committed to sustainability and community development.
