The South African Breweries Internship Program offers an exciting opportunity for enthusiastic and driven individuals to gain hands-on experience in various aspects of our business. Interns will have the chance to work alongside industry experts, contribute to real projects, and develop invaluable skills that will prepare them for a successful career in the brewing industry.

Responsibilities

- Collaborate with cross-functional teams to support day-to-day operations and projects.
- Assist in conducting research, data analysis, and market studies to identify trends and opportunities.
- Participate in product development initiatives and contribute innovative ideas.
- Support marketing and sales teams in executing promotional activities and events.
- Contribute to sustainability initiatives and projects aimed at reducing our environmental footprint.
- Engage with stakeholders and contribute to building strong relationships within the community.
- Adhere to safety protocols and ensure compliance with company policies and regulations.

Qualifications

- Currently enrolled in a relevant undergraduate or postgraduate degree program.
- Strong academic background with a focus on business, marketing, engineering, environmental science, or related fields.
- Excellent communication skills, both written and verbal.
- Ability to work independently and as part of a team in a fast-paced environment.
- Demonstrated passion for the brewing industry and commitment to learning and growth.
- Flexibility to relocate and work in various locations across South Africa, as required.

Job Benefits

- Hands-on experience working with industry leaders.
- Mentorship and guidance from experienced professionals.
- Exposure to diverse projects and opportunities for skill development.
- Competitive stipend or compensation package.
- Potential for career advancement and opportunities for full-time employment upon completion of the program.
