TotalEnergies: Graduate Internships 2026-25 Latest Opportunities

Description

TotalEnergies is offering exciting internship opportunities for ambitious graduates who are eager to learn and develop within a high-performing organization. Our Graduate Internship program is designed to nurture, equip, and enhance the skills of successful candidates in their fields of study, providing a strong foundation for a future career in their area of specialization. Join TotalEnergies South Africa and contribute to the success of our diverse and dynamic team.

Responsibilities

- Participate in daily departmental activities aligned with your field of study, gaining practical, hands-on experience.
- Collaborate with colleagues on projects and initiatives within your department.
- Support key departmental functions, ensuring smooth and efficient operations.
- Apply theoretical knowledge to real-world situations, enhancing both your professional and technical skills.
- Engage with TotalEnergies' teams, learning best practices and contributing to innovative projects.

Qualifications

- Recent graduate or currently completing a Bachelor's or Honours degree in a relevant field.
- Strong interest in pursuing a career within the energy sector.
- Passion for the energy sector and a commitment to personal and professional development.
- Ability to work effectively in a collaborative, high-energy environment.
- Strong analytical, communication, and problem-solving skills.
